It's tasting time

**Hey there my food friend!
This is your Lidl Foodies
Passport, the perfect way for
you to record your fruit and
veg adventures.**

**Ready? Let's squeeze the
day!**

**We all have our favourite
flavours. The best news is,
there's so many of us to try.
So get tasting and discover
which fruit and veg get your
tastebuds tingling.**

Does that sound a-peeling?
